

2012 High Tech Fair

Connecting today's STEM professionals with tomorrow's talent.

Student/Parent Night: **February 7th 5:00 pm – 8:00 pm**
School Day Event: **February 8th 8:30 am – 2:00 pm**

Wyland Hall, Del Mar Fairgrounds

Do you want to inspire a future generation of scientists and engineers?

Your participation and/or sponsorship will make this event a reality for kids in our community!

The High Tech Fair is a non-profit event. SDSA, a 501(c)(3) nonprofit, relies on exhibitor fees and corporate sponsorships to underwrite the costs associated with this event, including: facility fees, equipment rentals, security, student bus transportation, substitute teacher costs, etc.

Your involvement makes a difference! Without sponsorships, the cost of participation would be prohibitive to many schools affected by State budget cuts. With your support, this event is totally free for schools to participate. You have the opportunity to inspire and make a difference in the lives of several thousand middle and high school kids from all over San Diego County. Please consider becoming a sponsor.

Sponsorship Levels:

- Platinum:** \$15,000 (Title Sponsor)
- Gold:** \$10,000 (Business Community Partner)
- Silver:** \$7,500 (School Sponsor - bus/subs)
- Bronze:** \$5,000 (Student/Parent Night Sponsor)
- Individual Strand Sponsor:** \$3,000
- Individual School Sponsor:** \$750

Interactions that take place during the High Tech Fair inspire students and teachers and renew commitments to education outreach for exhibitors.

Sponsors will be recognized in HTF media and public relations materials, on SDSA website and in HTF promotional / educational materials (distributed countywide), and on fair signage.

Exhibitor fee will be waived for sponsorships over \$3000.
