

SAN DIEGO SCIENCE ALLIANCE AND GENENTECH

ANNOUNCE A FIELD STUDY OPPORTUNITY MINI-GRANT PROGRAM

Approximately twenty five (25) \$500 mini-grants are available to science teachers in grades 4-8 in Oceanside, San Marcos, and Vista Districts for field experiences for students that :

- Are integrated into a standards-based unit of study.
- Provide evidence of student learning in Earth, Life, or Physical science.
- Will be completed by May 2011.

Eligible field experiences include museums, zoos, universities, parks, natural areas, and more. Find field experience ideas in SDSA's Resource Catalog at www.sdsa.org

Grant funds may be used for bus expenses, substitutes, admission costs, and supplies.
